George was born a few months after VE Day, in Hungary. The country was ruled by the Soviet Union from 1945 until 1989. In 1956, the popular uprising and its aftermath led to the Varga family's emigration from Hungary. They landed in Wichita, Kansas, in January, 1957. This is the story of their immigrant experience.

Mr. Varga graduated from WSU, and is a videographer since his retirement from the Wichita Convention and Visitors Bureau.
